

Chris Wheat

Director of Business Research

Chris Wheat is the Director of Business Research for the JPMorgan Chase Institute. Prior to joining JPMCI, he served as the Director of Analytics at a financial technology startup, where he led the development of advanced analytics algorithms. He previously was an Assistant Professor at the MIT Sloan School of Management and at the Center for Urban Entrepreneurship and Economic Development at Rutgers Business School. As a faculty member, he taught and researched topics in strategy, entrepreneurship, global microfinance, economic sociology, and social network analysis.

Chris earned a B.S.E. in Mechanical & Aerospace Engineering from Princeton University, an M.S. in Computer Science from Stanford University, an M.A. in Sociology from Harvard University, and a Ph.D. in Organizational Behavior from Harvard University.
